

Juneau - Lemon Creek Correctional Center Deferred Maintenance

FY2014 Request: \$775,000
Reference No: 45604

AP/AL: Allocation

Project Type: Deferred Maintenance

Category: Public Protection

Location: Juneau Areawide

House District: Juneau Areawide (HD 31-32)

Impact House District: Juneau Areawide (HD 31-32)

Contact: Leslie Houston

Estimated Project Dates: 07/01/2013 - 06/30/2018 **Contact Phone:** (907)465-3339

Appropriation: Deferred Maintenance, Renewal, Repair and Equipment

Brief Summary and Statement of Need:

This project provides renewal, replacement, renovation, remodeling and repair of essential electrical, mechanical, roofing, walls, fire and life safety, security, structural, food service, pavements and site drainage systems within the Lemon Creek Correctional Center. This work is required to enable continued secure and efficient operation of this 24-hour incarceration facility in order to keep the community safe from offenders placed in the department's custody.

Project Description/Justification:

The Lemon Creek Correctional Center (LCCC) was constructed in 1967 and includes 85,088 square feet of space. This project replaces the obsolete security door control system (\$650,000) and provides the design for heating ventilation/air conditioning (HVAC) system repairs (\$125,000) at the LCCC.

These projects are from a compilation of essential capital requirements at this institution. The list is fluid between the time it is prepared and the time the appropriation is authorized. During this time period, other critical projects may be identified while several projects already on the list have reached completion. Funds are then allocated to the most urgent of the remaining projects. The projects that could not be completed become the basis of the next fiscal year capital appropriation request. Adjustments to the deferred maintenance project allocations may be necessary between all 24-hour institutional facilities to meet emergency needs as they arise.
