**Project Description/Justification:**

Funding will be provided to regional community jail facilities for essential safety and security repairs, renovations, and life and safety equipment renewal. These jails require repairs and modifications to continue safe and secure offender incarceration.

For example, some of the items that require annual upkeep and replacement are life and safety equipment, alarm system repairs, sprinkler and ventilation projects, water and sewer equipment, washer and dryer equipment replacement, storage equipment, portable radios, kitchen equipment, booking ID cameras, intercom systems, security equipment, heating and ventilation systems and other facility equipment as needed.

This project will be equitably allocated based on prioritized needs. The following is a current list of local community jails:
