The Pioneer homes all operate on a 24-hour basis, have a cumulative square footage of about 450,000 square feet, and have a combined replacement value of \$334,000,000. The facilities have deferred maintenance needs resulting from heavy usage by staff and residents. This project for funds will address only the most critical of the prioritized needs in order to maintain the State's investment in the department's facilities. The homes have a combined capacity of over 600 residents.

Each building deficiency for every facility is rated in terms of urgency, fire/life/safety, security, building integrity, and mission efficiency. Together, these criteria are used to prioritize each project. Priorities given are generally followed, but may be changed due to higher emerging needs that may arise throughout the year.

Department's Mission: To promote and protect the health and well being of Alaskans. This project will increase the useful life of the Alaska Pioneer Homes. These homes house Alaska's seniors. Maintaining these homes is critical to carrying out the Department's mission.

End Result:  
Alaskans live free from the negative impacts of alcohol and drug use. The physical health of Alaskans is optimized. The mental health of Alaskans is optimized. Alaskans have access to health care. Alaskans receive the long-term care they need. Vulnerable Alaskans have a safe living environment.
