## **Prior Funding History / Additional Information:**

**Project Description/Justification:** 

Work is required on outside building	\$250,000
envelope. Redesign and rebuild the	
roof line where it sheds water down	
the front of the building. Replace the	
damaged siding that was removed in	
the fall of 2012.	
	\$250,000
	roof line where it sheds water down the front of the building. Replace the damaged siding that was removed in

Each building deficiency for each facility is rated in terms of urgency, fire/life/safety, security, building integrity, and mission efficiency. Together, these criteria are used to prioritize each project. Priorities given are generally followed, but may be changed due to higher emerging needs that may arise throughout the year.
