This funding will implement security measures to increase the security of the Anchorage Regional Office building to include two armed, experienced security guards, metal detectors, and security surveillance system maintenance. These estimates are based on the Office of Children's Services FY2013 projection of children served multiplied by the percentage increases recommended in the study. In addition, the department has entered into an agreement in the amount of \$750.0 in general fund for a rate increase as mandated by the settlement of the Heitz and Mulgrew lawsuits.
