Brief Summary and Statement of Need:

This project is for year six of the Permanent Fund Dividend Division (PFD) replacement project for desktop computers, printers, servers, and other office support equipment. The replacement cycle is based on the warranty and expected useful life of each type of equipment. Replacing worn out and obsolete mission critical equipment on a planned life-cycle basis facilitates maximum employee productivity on a day-to-day basis, and enables the success of goals related to PFD Performance Management targets to increase staff efficiency and effectiveness; eliminate process bottlenecks; reduce operational costs; reduce fraud; promote customer service and respect; and prepare for the future.
