

State of Alaska FY2014 Governor's Operating Budget

Department of Revenue Unclaimed Property Component Budget Summary

Component: Unclaimed Property**Contribution to Department's Mission**

The mission of the Unclaimed Property program is to administer Alaska's Uniform Unclaimed Property Act (AS 34.45).

Core Services

- Receive and account for unclaimed property in the form of cash, securities, and safe deposit boxes from companies, organizations (profit and non-profit) and government agencies throughout the United States in accordance with Alaska's Unclaimed Property Act
- Provide services to reunite owners, heirs or legal representatives with their unclaimed property
- Determine entitlement by analyzing statutes, court orders, legal cases, and reviewing evidence
- Promote unclaimed property reporting
- Account for and post liability accruals such as; mergers, splits, dividends, security proceeds and interest

Major Component Accomplishments in 2012

- Established an audit/compliance/outreach position to educate holders and owners about Alaska's Uniform Unclaimed Act.
- Transferred \$4.0 million into the state general fund for FY2012 collections in excess of refunds. Since the inception of the program in 1986, a total of \$84 million has been transferred to the state general fund from the Unclaimed Property Trust account.
- During the past five years 65,977 accounts, totaling over \$20 million has been returned to current or former Alaska owners and businesses.
- During the past five years \$20.25 million has been transferred to the general fund.

Key Component Challenges

- Align unclaimed property practices with banking and business transactions utilizing electronic deposits, payments, and debit cards for credit balances, payroll, and social services programs. Re-evaluate last known contact other than a mailing address.
- Increase productivity and move towards paperless environment, via secure online report, and remit payment portal.
- Develop online claim verifications and process payments electronically.
- New property types such as Health Savings and College Savings Plans create challenges in establishing procedures that will not diminish the property value under Federal Tax laws for early withdrawals and transfers.
- Identity theft and fraud contribute to the challenges of determining and validating entitlement to unclaimed property accounts.
 - 264,202 property accounts are held in trust, totaling \$35 million dollars

The Unclaimed Property Program is transferring \$9.4 from contractual services to personal services to reduce its vacancy factor and cover the cost of the Unclaimed Property Agent position, which will conduct audits and analyze contract auditor audits to verify compliance with Alaska's Unclaimed Property statutes. Funds are available in contractual services due to less agency expenditures in services than anticipated.

	Program receipts are received from the Unclaimed Property Trust to support the operation of the Unclaimed Property Program. All funds received as unclaimed property are deposited into the Unclaimed Property Trust account in the general fund. Amounts received from property holders exceed refunds to owners because not all unclaimed property owners are located. A minimum balance is maintained in the trust account and excess funds are periodically transferred to the general fund. This program was transferred to its own component in FY2010.
