Project Description **Principal's Priority** 5

Materials to support students who are below or far below in the area of reading. These materials would be used by the classroom teachers as well as support staff (tutors and teacher's TAs). The materials are supplementary to the district adopted curriculums. The materials could be books or software to support student learning.

Benefits if Project is Funded

Currently we only have one intervention program, which only allows 30 students access at a time. These materials would benefit students kindergarten through 6th grade. We are a school of over 440 students.
