*Funding Details:**FY2012 State Capital Grant \$10,000***Detailed Project Description and Justification:**

The Mountain View Community Clean-up is an annual event that is essential to the health and safety of the entire Mountain View Community. Funding is requested for supplies and other expenses related to the Mountain View Clean-up. Local residents partner with nonprofits and private organizations to donate hours of hard work in cleaning up the neighborhood. The effort is more than just a beautification effort -- the volunteers remove over 200 tons of potentially hazardous material, ranging from toxic waste and biohazards to broken glass, rusty metal, and old refrigerators from areas where children play and members of the community recreate. The Mountain View Community Clean-up gives people pride and a sense of ownership in the well-being of the neighborhood. These funds would be used to pay for any materials or services necessary to make the cleanup a safe and successful endeavor.
