Anchorage - Campbell Creek Bank Restoration

State Funding Requested: \$45,000**House District: Anchorage Areawide (11-27)**

One-Time Need

Brief Project Description:

Using Youth Employment in Parks, rehabilitate damaged and eroding sections of the banks of Campbell Creek, to improve habitat and water quality.

Funding Plan:

Total Project Cost:	\$116,000
Funding Already Secured:	(\$16,000)
FY2015 State Funding Request:	(\$45,000)
Project Deficit:	\$55,000

Funding Details:

Project parter, AK Department of Fish and Game is providing \$16 K of funding toward this project.

Detailed Project Description and Justification:

Using a combination of Youth Employment in Parks crews and contractors, funds will be used to rehabilitate and revegetate the banks of Campbell Creek that are damaged from erosion and heavy foot traffic. Specific area of interest includes the overflowing areas leading to Minnesota Bypass. To allow continued public access to Campbell Creek in a manner that will not impact water quality and fish habitat, areas will be identified and constructed that are safe for the public to use.

Project Timeline:

Planning and design is ongoing.

Anticipated construction will occur in the summer of 2014.

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Anchorage Parks & Recreation
