Project Description

Principal's Priority

2

Aurora Elementary is requesting grant funding for an additional 50 touch technology devices. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

All students will have greater depth of by the ability to navigate to additional resources for further information. Teachers will be able to utilize the touch technology as an instructional device for whole or small group lessons.

Impacts if Project is not Funded

Students fall further behind in the ability to access knowledge.

of Students impacted by project 330
