Project Description

Principal's Priority

2

Bear Valley has a double -sided stage, which opens to the MPR and GYM. The MPR is used for smaller functions due to size capacity restrictions. The gym is for used to larger school-wide and public events due to size capacity, however the gym lacks stage lighting. Stage lighting in the gym would increase the function and utility of the gym/stage for larger school-wide and public events.

Benefits if Project is Funded

Adding stage lighting to the gym would increase the function and utility of the stage area during school-wide and public events.
