Project Description

Principal's Priority 1

College Gate Elementary is requesting grant funding for an additional 75 touch technology devices. These devices may include ipod, ipads, or other tablet devices that are already sanctioned on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

Students are expected to have a strong grasp of technology in today's global economic market. This would enable students more access to technology. The impact would be students with a stronger technological understanding to help compete in a global economic society. It will also offer access to technology to students who may not have such access do to their socio-economic status.

Impacts if Project is not Funded

of Students impacted by project 370
