**Project Description**

**Principal's Priority**        1

Renovate the school store at Mears Middle School to include more space, running water, improved electricity, improved storage, and modifications needed to support our school business partnership class. The Mears PTSA uses the store for all fundraising efforts and brought in over \$200,000 dollars in the past five years. we will use the school store for student, community, and PTSA run activities in the future. The design is already partially completed, this request is for design and construction funds to complete the process.

**Benefits if Project is Funded**

This project will help us in creating a more usable space to accommodate the successful business that is run out of the store. In addition to our students and parents, the improved store will provide a benefit to community event as well.

**Impacts if Project is not Funded**

he impact if not completed will be a smaller and less efficient space, with additional storage space needed in our school for the goods that are sold in our store.
