Project Description **Principal's Priority** 4

Ocean View Elementary School is asking for funding for 36 pencil sharpeners. Each elementary classroom has a high need for pencil sharpeners. Currently each classroom has a manual pencil sharpener or teachers have to purchase a pencil sharpener for their own classroom. This project would allow each classroom to have a heavy duty pencil sharpener which would cut down on time spent sharpening pencils for students and would allow them more time for learning and applying the skills they have acquired.

Benefits if Project is Funded

All students, staff, and families in the Ocean View community would benefit from this purchase. Students would have access to sharpeners all over the school. Maintaining the sharpeners would be more effective as we would not wear out the two that we currently have for the entire school.
