**Project Description**

**Principal's Priority**                      1

O'Malley staff is currently working on updating our emergency preparedness plan and needs additional equipment to assist staff in getting through an emergency situation. We need to purchase headlamps, carts and reflectors for cones, batteries and emergency lighting for the office and 10 classrooms.

**Benefits if Project is Funded**

This grant will assist in preparing staff and students with the proper and necessary equipment for an emergency. It is important for our staff and student safety to complete this planning and preparing process and be ready for any type of disaster or emergency that may occur. It will give the office proper lighting for communication and checking identification for release of students.
