Project Description

Principal's Priority 2

Wonder Park Elementary is requesting grant funding for an additional 13 computers. These computers may include either desktop, laptop, or netbooks as allowed for on the ASD Approved Technology list. 5% of the total award will be dedicated to training and professional development associated with effectively integrating this equipment into the classroom environment.

Benefits if Project is Funded

All students benefit from an educational program that is active and engaging. Having fixed computers connected to the interactive white boards will make using the boards easier and more effective.

Impacts if Project is not Funded

Without these tools, students will have fewer opportunities to develop the skills they need to be successful in post secondary, vocational and career opportunities.
