 Future Funding May Be Requested

House District: Fairbanks Areawide (1-5)

Brief Project Description:

To expand safe transportation services to incapacitated persons and chronic inebriates.

Funding Plan:

Total Project Cost:	\$380,000
Funding Already Secured:	(\$50,000)
FY2015 State Funding Request:	<u>(\$250,000)</u>
Project Deficit:	\$80,000

Funding Details:

The City has never received any money from the state for Title 47 transportation of incapacitated persons. This expansion of current services is in effect a new project and therefore has no funding history.

Detailed Project Description and Justification:

The City's focus is on public safety. An emergency service patrol is an essential component in providing safe transportation services to incapacitated persons and chronic inebriates, pursuant to Title 47 of the Alaska statutes. The services provided by the emergency service patrol frees police officer resources and increases the City's ability to be responsive to public safety issues.

The City has identified, as a priority, the need to expand the emergency service patrol service beyond the City core area to include areas noted as being high response zones. This program in the core area has been very successful in alleviating demands on officer time and reducing injury to incapacitated persons and chronic inebriates.

Project Timeline:

This is an ongoing project but we would like to expand the service as soon as sufficient funding is secured. Expenditures would occur as soon after July 1 as possible. An RFP would need to be issued and awarded.
