Goldstream Valley Lions - Athletic Fields Repair & Community Center Improvements

State Funding Requested: \$60,000**House District: 38 / S**

One-Time Need

Brief Project Description:

Acquire, place and level fill and topsoil to address subsidence of grass soccer/softball field. Analyze community center's structure and usage to determine necessary improvements.

Funding Plan:

| | |
|-------------------------------|------------|
| Total Project Cost: | \$70,000 |
| Funding Already Secured: | (\$10,000) |
| FY2015 State Funding Request: | (\$60,000) |
| Project Deficit: | \$0 |

Detailed Project Description and Justification:

Extensive use of the grass playing fields at the Ken Kunkel Goldstream Community Center, along with underlying permafrost, has resulted in significant settling in areas of the playing fields and pooling of spring melt water. Using donated labor and equipment, the Goldstream Lions will acquire, place and level fill and topsoil in needed areas. Funds may also be used for improvements or repairs to existing field structures such as fences and goalposts as well as reseeding and sod placement.

Funds will also be utilized to examine expansion opportunities and needs at the Kunkel Community Center. The Club will negotiate with local architects and/or engineers to assess the structure and determine best avenues for expansion. The Club will analyze community needs and examine how additional services can/should be provided within the scope of the Club's Mission Statement. Any remaining funds will be allocated towards design and construction.

Project Timeline:

Summer 2014-fall 2015

Entity Responsible for the Ongoing Operation and Maintenance of this Project:

Goldstream Valley Lions
