**Detailed Project Description and Justification:**

In order to continue providing Angoon's elders hot, nutritious, and safe meals through the senior center, a replacement stove/oven is needed. The cost of the range includes freight and installation. A variety of kitchen supplies are also needed because the equipment, pots, pans and cookware are insufficient for the needs of the site. The current items are old, missing lids, have uneven cooking bottoms, and there are not enough of them. In addition, assorted program supplies including the manager's desk, are needed.
