Catholic Community Service - Senior Center Heavy Duty 20 Quart Mixer and Kitchen Supplies

State Funding Requested: \$11,000**House District: 34 / Q**

One-Time Need

Brief Project Description:

Senior Center Commercial Mixer and Kitchen Supplies will ensure quality elder nutrition program.

Funding Plan:

Total Project Cost:	\$11,000
Funding Already Secured:	(\$0)
FY2015 State Funding Request:	<u>(\$11,000)</u>
Project Deficit:	\$0

Funding Details:

Since the majority of grant funding (from the State of Alaska and the local Tribe) pays for staff to serve the elders, new, commercial cooking supplies are hard to come by.

Detailed Project Description and Justification:

Senior Center Manager and Cook Bunny James enhances the lives of local elders by making all her bread items from scratch. To do this most efficiently, she needs a larger, commercial 20 quart mixer for the quantity of bread dough she makes at one time. Cooking by scratch is more economical, more nutritious, and more pleasing for the seniors. Assorted kitchen supplies/equipment are also needed because the equipment (food processor, coffee pot) and supplies (cart on wheels, tables, chairs, pots, pans, silverware, glasses and bake ware) are insufficient for the needs of the site. These items are old, missing lids, have uneven cooking bottoms, and there are not enough of them to meet the need of the growing senior population who participate in the senior meal program.

Project Timeline:

Shortly upon notice of funding approval, we will order the equipment and supplies, hoping to receive all of the items in the summer of 2014.
