**Brief Summary and Statement of Need:**

There are approximately 1,356 homes in the community. This project will remove a 50 year old iron force main from a corrosive marine environment and reinstall it in a State of Alaska right of way. Work will entail installing a force main, upgrading two pump stations, and upgrading the sewer system within the immediate area. The local match requirement is 30% of total eligible costs.

Subject to available funding and statewide prioritization, the department may approve other closely related improvements.
