**Brief Summary and Statement of Need:**

Kwethluk is the number one project on the November 5, 2013 School Construction Grant Fund list, for the design and construction of a K-12 replacement school. The 34,576 square feet of facilities, built from 1956-1986, and 2 portables, built in 1998 and 2002, will be replaced. Demolition and disposition of existing structures and fuel tanks totaling 95,521 gallons, site preparation, design and construction of a new 48,421 square foot facility, and site remediation are included in the scope of work. Currently, with a school enrollment of 239, the school is operating at 159 percent capacity with 86 unhoused students.
