Re: FY 2015 Capital Budget Amendments HB 265/SB 119

Dear Finance Committee Co-Chairs,

Enclosed, please find proposed amendments to the FY 2015 capital budget.

We are requesting funding for a project to assist in archiving and digitizing historical documents from the late United States Senator Ted Stevens. These documents span four decades and are invaluable in preserving the history of our state and the work of the nation's longest-serving Republican senator.

Also included is an update to the amount of funding projected to be available in FY 2015 for National Petroleum Reserve-Alaska grants and the allocation of the grants. This information was not available in time for the amendments we submitted on February 18.

Thank you for your consideration of these budget amendments.

Sincerely,

A handwritten signature in blue ink that reads "Karen".
