Project Description/Justification:

The Alaska Bureau of Investigation (ABI) office was moved into the building that formerly housed the state Crime Lab. Much of the building was renovated during FY2012 and FY2013 and occupied by ABI in February 2013. Funding for the renovation came from a reappropriation of \$1,170,000 (Sec 25 Ch17 SLA2012 Pg 178Ln29) from the new Crime Lab construction funding.

The reappropriation funding was not able to cover roof repairs. The building still has its original roof which is more than forty years old and has numerous problems. This project will allow the department to replace the roof.
