Prior Funding History / Additional Information:

Sec1 Ch16 SLA2013 P88 L4 SB18 \$300,000
 Sec1 Ch17 SLA2012 P142 L21 SB160 \$250,000
 Sec1 Ch5 SLA2011 P109 L33 SB46 \$300,000

This is an annual program contingent upon approval by AMATS, prior funding authorization is utilized on an annual basis. Per the department's cost sharing policy, the community must provide the match for this project.

Project Description/Justification:

The purpose of this program is to inform the public of ways they can reduce carbon monoxide (CO) pollution. In particular, this program emphasizes the control of cold start CO emissions associated with commute trips. These trips are a major source of CO in Anchorage neighborhoods. The campaign encourages plugging in block heaters and the use of alternative modes of transportation to get to work or school. This program is included in the draft Anchorage CO Maintenance Plan.
