Prior Funding History / Additional Information:

Sec1 Ch16 SLA2013 P84 L28 SB18 \$600,000

Project Description/Justification:

The Federal Aviation Administration (FAA) requires public airport owners to conduct wildlife hazard assessments and mitigation plans at federally obligated airports, especially certificated Part 139 airports. The existing wildlife hazard assessments and plans were completed years ago and FAA is now requiring these assessments and plans be updated.
