## **Prior Funding History / Additional Information:**

Sec1 Ch16 SLA2013 P82 L4 SB18 \$2,900,000

## **Project Description/Justification:**

This project will install a new approach lighting system to maintain low visibility capabilities at the remote hub airport of Cold Bay. The 2013 runway safety expansion project, required to meet Federal Aviation Administration (FAA) Runway Safety Area (RSA) standards, displaced and temporarily shut down the old system.
