**Governor Sean Parnell**  
**STATE OF ALASKA**

January 17, 2014

The Honorable Mike Chenault  
Speaker of the House  
Alaska State Legislature  
State Capitol, Room 208  
Juneau, AK 99801-1182

Dear Speaker Chenault,

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to the State's capital budget for Fiscal Year 2015 (FY 2015). This bill represents my continued commitment to Alaska's constitutional priorities including resource development, public safety, education, transportation, and infrastructure.

Leaving a strong, vibrant Alaska for our children and grandchildren requires living within our means and prioritizing spending for Alaskans' future. The capital budget for FY 2015 focuses on fixing what we have through deferred maintenance and finishing what we have started. It also provides matching funds to leverage federal and local dollars. The budget contains ongoing investments in energy development, roads to resources, water and sewer projects, and school construction.

With a responsible budget plan, and the increased jobs and economic activity being generated by the More Alaska Production Act, our state will continue to be prosperous and full of opportunity. I look forward to working with the Legislature to finalize the capital budget for the upcoming fiscal year.

Thank you for your consideration of this bill.

Sincerely,
