This is the first project on the January 2015 Capital Improvement Projects list for school construction. The project will construct a new 18,599 square foot K-12 facility. The scope of work includes site development, design, and construction. The existing school occupies three separate leased buildings resulting in 63 unhoused students.	0.0	0.0	0.0	0.0	1004 General Fund	0.0
