

Selawik - Barge Landing Access Road and Boardwalk Improvements **FY2017 Request: \$4,800,000**
Reference No: 60536

AP/AL: Allocation **Project Type:** Construction
Category: Transportation
Location: Selawik **House District:** Arctic (HD 40)
Impact House District: Arctic (HD 40) **Contact:** Mike Vigue
Estimated Project Dates: 07/01/2016 - 06/30/2021 **Contact Phone:** (907)465-4070
Appropriation: Surface Transportation Program

Brief Summary and Statement of Need:

Rehabilitate the existing barge landing access road, construct a new gravel barge staging pad, and associated access points, install lighting, and replace sections of existing boardwalk. Work will also include rehabilitation of the utility crossing at the landfill.

Prior Funding History / Additional Information:

No prior funding history.

Project Description/Justification:

The routes in this project were identified in the previous boardwalk improvements project, but were removed due to funding limitations. This project will complete those sections and will improve overall community transportation to facilities. Rehabilitation of the utility crossing is required to provide safe access from the barge landing area to the landfill land and to prevent damage to utilities.
