Prior Funding History / Additional Information:

This project is partially funded with vehicle rental tax receipts (VRT). VRT receipts are expected to generate \$10,472,600 in FY2018 with an estimated total available balance of \$21,374,000.

In FY2016 tourism marketing received an operating appropriation of \$9,599,400 (\$7,229,400 UGF and \$2,370,000 SDPR) and in FY2017 the component received an operating appropriation of \$1,500,000 UGF.

Project Description/Justification:

Prior to FY2017 tourism marketing activities were performed by a division within the Department of Commerce, Community, and Economic Development and funded through an annual operating appropriation. In FY2017 tourism marketing and development activities were transitioned to the Alaska Travel Industry Association (ATIA) through an operating grant. Tourism development and marketing will now be funded through a multi-year capital grant to ATIA.

ATIA is a member based trade association dedicated to promoting Alaska as a visitor destination and promoting and growing the tourism industry. ATIA will perform tourism development and marketing on behalf of the state, which may include providing a marketing program for instate, national and international tourism; collecting and analyzing visitor statistics; funding and managing any marketing

contracts; managing sales, marketing and distribution of the Alaska Vacation Planner; the TravelAlaska website; booth rental and coordination at domestic and international travel fairs; full support for the Alaska Tourism Marketing Board; and reporting on activities funded by the grant.

This capital grant provides ATIA the ability to phase out reliance on state support over several years and move to a self-sustaining, industry funded, model per legislative intent.
