Project Description/Justification:

Motor Carrier Safety Assistance Program (MCSAP) - \$2,700,000

(Federal Motor Carrier Safety Administration 85% / State Match 15%)

Implement commercial motor vehicle strategies that increase safety and reduce crashes, injuries, and fatalities in the State of Alaska. Activities include driver and vehicle inspections, traffic enforcement, public education and awareness, and data collection. This grant will also include border enforcement activities, new entrant safety audits and carrier reviews, and maintenance and operations costs related to data quality and information systems.

High Priority Program - \$1,300,000

(Federal Motor Carrier Safety Administration 85% / State Match 15%)

Grant funding to carry out high priority activities and projects that augment MCSAP activities and projects in the State of Alaska and to target unsafe driving of commercial motor vehicles in areas identified as high risk crash corridors.

Commercial Vehicle Enforcement Program

FY2018 Request: \$5,500,000

Reference No: 34752

Conduct the Performance and Registration Information Systems Management program that ensures carriers that are under a Federal Out of Service Order are not able to register vehicles under an assumed carrier and continue unsafe operation in the State of Alaska.

Conduct Safety Data Improvement program projects to improve crash data reporting accuracy and timeliness throughout the State of Alaska.

Innovative Technology Deployment (ITD) Program - \$1,500,000

(Federal Motor Carrier Safety Administration 85% / State Match 15%)

Grant funding to advance the technological capability and promote the deployment of intelligent transportation system applications in the State of Alaska for commercial motor vehicle operations, including commercial motor vehicle, commercial driver, and carrier-specific information systems and networks.
