<p>In FY2017 three fund codes were created in response to concerns by the Federal Aviation Administration for more explicit tracking of airport revenues. Code 1239 (Aviation Fuel Tax) was created to track appropriations of aviation fuel tax collections, code 1244 (Rural Airport Receipts) to track appropriations of rural airport lease / other receipts, and code 1245 (Rural Airport Receipts I/A) to track appropriations of rural airport lease / other receipts from other state agencies.</p> <p>During the FY2017 review of the department's airport revenue allocations, one fund source change to code 1244 was inadvertently missed.</p> <p>Central Region Facilities has one position that provides aircraft rescue and fire fighting rescue services at the Bethel airport utilizing this funding.</p> <p>The FY2018 Governor's budget accurately reflects this change.</p>
