Brief Summary and Statement of Need:

This request amends the original Governor’s FY2019 capital budget request by adding allocation level funding of \$562,500. This change is due to the timing of approval of individual National Petroleum Reserve – Alaska grants. This project provides support to the North Slope Borough Department of Wildlife Management (DWM) to conduct studies on the abundance and health of nearshore fisheries in the NPR-A region. DWM will work with local subsistence fisherman and collect samples across lagoon and nearshore subsistence waters to assess the abundance and distribution of fishes and characterize their biological and physical habitat.
