Brief Summary and Statement of Need:

This request amends the original Governor’s FY2019 capital budget request by adding allocation level funding of \$192,035. This change is due to the timing of approval of individual National Petroleum Reserve – Alaska grants. This project will repair the Kisik Community Center HVAC system, as well as fund general maintenance to the facility such as electrical, plumbing, and mechanical. Grant funds will be used for contractual services and building materials.
