**Prior Funding History / Additional Information:**

The Alaska Constitution (Article VI, Section III) requires the formation of a Redistricting Board to reapportion the Alaska Senate and House of Representatives following each decennial U.S. census. This appropriation will support the efforts of the Redistricting Planning Committee required by AS 15.10.300, and the Redistricting Board. Additional funding may be required in future years for redistricting legal costs and the Alaska Division of Elections' implementation of the new election districts.

**Project Description/Justification:**

The sum of \$1,000,000 is appropriated from the general fund to the Office of the Governor for Redistricting Planning Committee, Redistricting Board, and Division of Elections redistricting costs for the fiscal years ending June 30, 2020, June 30, 2021, June 30, 2022, and June 30, 2023.

The Alaska Constitution requires reapportionment of the Alaska House of Representatives and Senate immediately following the official reporting of each decennial census of the United States. In FY 2020, a Redistricting Planning Committee will be formed to arrange for office space and enter into contracts necessary for the Redistricting Board to meet its Constitutional deadline to adopt one or more proposed redistricting plans within thirty days after the official reporting of the decennial census of the United States or thirty days after being duly appointed, whichever occurs last.
