The Shared Services organization began in FY2018 and provides back-office administrative functions common to all state agencies. This organization model builds a smarter Alaska by reducing administrative costs, improving service quality, and enabling the effective delivery of front-line state services.

RDU: Executive Operations (2) Positions Scenario/Change Trans Totals Personal Travel Services Commodities **Capital Outlay** Miscellaneous PFT PPT NP Grants. Record Title Type Services **Benefits** The Office of Information Technology (OIT) was formed in accordance with Administrative Order 284, and is in the process of adopting best practices and centralizing the organization of information technology (IT) resources statewide. This organizational model builds a smarter Alaska by reducing overall IT costs. strengthening IT functions, and maximizing efficiency. The FY2019 budget included a statewide unallocated reduction to reflect savings achievable as a result of these efficiency efforts. An initial distribution of the savings has been made at the start of FY2019. The remaining savings will be distributed through the year as areas of efficiency continue to be identified.
