Component: Catastrophic and Chronic Illness Assistance (AS 47.08)**Contribution to Department's Mission**

Enable eligible Alaskans to manage their chronic medical illnesses and conditions.

The Catastrophic and Chronic Illness Assistance is a state-funded program for low-income Alaskans who have inadequate or no health insurance, but who do not qualify for Medicaid. Catastrophic and Chronic Illness Assistance provides limited services to eligible individuals only if diagnosed with one of the following conditions:

- Terminal illness
- Cancer requiring chemotherapy
- Chronic diabetes or diabetes insipidus
- Chronic seizure disorder
- Chronic mental illness
- Chronic hypertension

Covered services for those who qualify for Catastrophic and Chronic Illness Assistance are limited to:

- medical services provided by a physician, advanced nurse practitioner, and physician assistant in the practitioner's office or an outpatient clinic
- outpatient hospital services limited to chemotherapy and radiology for the treatment of cancer
- three (3) prescriptions per month and medical supplies limited to a 30-day supply

Core Services

- Provide payment for Catastrophic and Chronic Illness Assistance services.

Major Component Accomplishments in 2018

The Catastrophic and Chronic Illness Assistance program experienced the anticipated 99 percent decrease in number of enrolled recipients from FY2016 to FY2018, from 704 to under five, and the decrease in expenditures, from \$53.6 in FY2017 to (\$4.7) in FY2018 is from moving eligible recipients to Medicaid Expansion and having the costs of those services reimbursed.

Key Component Challenges

Catastrophic and Chronic Illness Assistance provides no coverage for inpatient hospitalization, transportation, and other services that are mandatory under Medicaid coverage.

Challenges that have existed with the Catastrophic and Chronic Illness Assistance program are mitigated by the expansion of Medicaid. Except for qualified immigrants who have not yet met the Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996 five-year waiting period for Medicaid eligibility, the majority of individuals who qualified for the program in the past now qualify for full coverage under Medicaid expansion.

Significant Changes in Results to be Delivered in FY2020

Catastrophic and Chronic Illness enrollment is anticipated to continue to decrease as eligible individuals enroll with Medicaid expansion. Ultimately, the only individuals who will enroll, or remain enrolled, are qualified immigrants who have not yet met the Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996 five-year waiting period for Medicaid eligibility.
