

State of Alaska FY2020 Governor's Operating Budget

Department of Health and Social Services General Relief Assistance Component Budget Summary

Component: General Relief Assistance

Contribution to Department's Mission

The General Relief Assistance component promotes and protects the health and well-being of Alaskans by providing a safety net for very low-income individuals who are not eligible for other state or federal assistance.

Core Services

- Provide for indigent burials, emergency food, shelter, and clothing, for low income Alaskans who have no other resources available.

Major Component Accomplishments in 2018

The General Relief Assistance program provides for rent, food, utilities, and burial assistance.

The General Relief Assistance program had an average monthly recipient count of 197 during SFY 2018 down from 249 during SFY 2017.

Benefit payments were not delayed due to continued reduction in burial benefits through department review and approval.

Key Component Challenges

Meeting the expectation to significantly reduce expenditures while continuing to help families who need help paying burial expenses for deceased family members.

Meeting the emergent needs of individuals and families that represent one of Alaska's most needy and vulnerable populations. Recipients are often marginal members of the community and may have a variety of significant barriers that preclude employment and successful participation in mainstream society.

Significant Changes in Results to be Delivered in FY2020

Several changes were made to the General Relief Assistance Burial program in order to reduce expenditures during SFY 2018.

- Changed policy to count the income of all relatives living with the deceased at the time of death instead of the month of application.
- Require pre-approval of some of the more costly burial items.
- Require funeral homes to bill on a form provided by the department.
- All invoices are reviewed for approval prior to payment approval.
- Regulation change is in process and is expected to further reduce expenditures.
