Services provided through these programs support Alaska's most vulnerable population. The homelessness, hungry, and destitute depend on these services to remain alive and safe. These services are of the most basic type where sometimes the goal is to simply keep someone from freezing to death.

Key Component Challenges

To obtain essential human and health services whose unavailability would subject persons needing the services to serious mental or physical hardship.

Significant Changes in Results to be Delivered in FY2020

Programs will continue to evaluate outcomes utilizing a Logic Model to manage and report outcomes of success. Performance measures will be coordinated with those divisions who fund the department programs in which this grant enhances. Efforts to work across division lines when services intersect with other services supported by the department will continue.

Statutory and Regulatory Authority

No statutes and regulations.
