Brief Summary and Statement of Need:

Purchase redistricting mapping equipment and software and initiate staff training in preparation for the redistricting plan implementation. The Redistricting Board is required to reapportion the House of Representatives and the Senate immediately following the official reporting of each decennial census of the United States. Reapportionment shall be based upon the population within each house and senate district as reported by the official decennial census of the United States.

Project Description/Justification:

The board has five members. The governor shall appoint two members of the board. The presiding officer of the senate, the presiding officer of the house of representatives, and the chief justice of the Supreme Court shall each appoint one member of the board.

Within thirty days after the official reporting of the decennial census of the United States or thirty days after being duly appointed, whichever occurs last, the board shall adopt one or more proposed redistricting plans. The process will begin in the fall of 2020 (in FY2021) and the board will continue until the final redistricting plan is approved.
