1037 GF/MH		-100.1										
<p>The structure assigned to the Civil Division isolates funding for certain contracts and removes flexibility from the Civil Division's budget by splitting the division into two separate appropriations. This structure may violate the confinement clause of the Alaska Constitution which is interpreted to prohibit an appropriations bill from administering a program of expenditures. As the other budget bills progress through the legislative process, it is the preference of the Executive Branch that this appropriation be structured consistent with historic practice.</p>
