# State of Alaska FY2021 Governor's Operating Budget

Department of Transportation/Public Facilities
Northern Region Construction and CIP Support
Component Budget Summary

# **Component: Northern Region Construction and CIP Support**

### **Contribution to Department's Mission**

Preserve and improve the transportation system in Alaska and protect the health and safety of Alaska's people by administering the construction of safe, environmentally sound, reliable, and cost-effective highways, airports, and buildings.

### **Core Services**

- · Review projects for constructability.
- Provide bidding support services.
- Administer construction contracts.
- Provide information to the public concerning construction projects.
- Provide support for emergency/disaster response when damages to transportation infrastructure require contractor repairs.
- · Conduct field inspection and materials testing.
- Close out projects.
- Coordinate with the Civil Rights Office in the administration of the Disadvantaged Business Enterprises program.
- Administer an apprentice program through the Department of Labor and Workforce Development.
- Administer state and federal transportation-related grants.

## **Major Component Accomplishments in 2019**

- Provided construction administration for 55 active construction projects (31 awarded, 24 continued from previous season) across 10 communities in the Northern Region, overseeing \$194,000.0 in contractor payments.
   \$53,000.0 of these payments were made for improvements in remote Alaska communities including Kivalina, Galena, Nome, White Mountain, St. Michael, and Utquiaqvik (formerly Barrow).
- Administered \$74,000.0 in construction project work in the Fairbanks area including continued work on the University Avenue/Geist Road, and Parks Highway/Mitchell Expressway projects.
- Successfully awarded and began construction on two Construction Manager General Contractor projects (Tok Cutoff and Kivalina), worth a combined \$82,000.0.
- Integrated all design and construction staff into team structures to provide services across organizational boundaries/budget components and work cross-functionally to deliver products and focused priorities.
- Repaved 59.9 lanes miles, reconstructed 83.6 lane miles and added 13.7 lane miles to roads and highways.
- Closed out 28 construction projects.

# **Key Component Challenges**

- Maintaining compliance with Environmental Protection Agency and Department of Environmental Conservation stormwater monitoring responsibilities and requirements.
- Compliance with Federal Highway Administration Work Zone Management requirements across rural and urban settings.
- Effectively identifying and resolving claims and unfunded liabilities across the division's construction program in order to fully utilize federal and non-state funding sources to deliver products and services.
- Increasing employee proficiency and their ability to function efficiently while fully leveraging statewide accounting and procurement systems.
- Expanding federal oversight regarding pedestrian traffic control and American with Disabilities Act compliance.

# Significant Changes in Results to be Delivered in FY2021

Continue to identify efficiencies across organizational and budget component boundaries for delivery of capital
projects. The division will continue to demonstrate an approach to projects that focuses on cross-functional roles
and collaborative decision-making that includes teaming with other divisions and project stakeholders during

decision-making processes.

• Continue implementation of AASHTOWare Project, and the use of drones, Global Positioning System, three-dimensional and virtually augmented modeling, and other tools to gain efficiencies in construction administration and to further utilize e-Construction technologies.

## **Statutory and Regulatory Authority**

AS 02 Aeronautics

AS 08 Business and Professions

AS 19 Highways and Ferries

AS 34 Property

AS 35 Public Buildings, Works

AS 36 Public Contracts

AS 44 State Government

USC CFR 14 Aeronautics

USC CFR 23 Highways

USC CFR 41 Contracts

USC CFR 43 Lands

USC CFR 49 Transportation

Change 23 part-time (seasonal full-time) to full-time for year-round workload support. The duties and workload associated with these positions historically extends beyond the construction season performing project closeouts, design reviews, and providing project support during advertising. In addition, these positions are now being utilized on Project Delivery Teams to supplement design staffing needs to deliver projects.

The following positions are changed to full-time:

Engineering Assistant III (25-1455), range 21, located in Fairbanks Engineering Assistant III (25-1473), range 21, located in Fairbanks Engineering Assistant III (25-1534), range 21, located in Fairbanks Engineering Assistant II (25-1541), range 19, located in Fairbanks Engineering Assistant II (25-1548), range 19, located in Fairbanks Engineering Assistant II (25-1557), range 19, located in Fairbanks Engineering Assistant II (25-1579), range 19, located in Fairbanks Engineering Assistant II (25-1582), range 19, located in Fairbanks Engineering Assistant II (25-1625), range 19, located in Fairbanks Engineering Assistant II (25-1627), range 19, located in Nome Engineering Assistant III (25-1632), range 21, located in Fairbanks Engineering Assistant III (25-1656), range 21, located in Fairbanks Engineering Assistant II (25-1660), range 19, located in Fairbanks Engineering Assistant I (25-1661), range 17, located in Fairbanks Engineering Assistant III (25-1742), range 21, located in Fairbanks Engineering Assistant I (25-1761), range 17, located in Fairbanks Engineering Assistant III (25-1780), range 21, located in Nome Engineering Assistant III (25-1782), range 21, located in Fairbanks Engineering Assistant III (25-1784), range 21, located in Fairbanks Engineering Associate (25-1807), range 21, located in Nome Engineering Assistant II (25-1812), range 19, located in Fairbanks Engineering Assistant III (25-1825), range 21, located in Nome Engineering Assistant II (25-1843), range 19, located in Fairbanks
