Project Description/Justification:

Team Alaska was established by the state in 1968 as a statewide organization to organize, select, uniform, and transport Alaska's young athletes to the biennial international Arctic Winter Games. More than 20 sporting events, traditional dance, and music make the Arctic Winter Games a very important

cultural event for young Alaskans. Team Alaska, comprised of Alaska's youth, has represented our state in the biennial Games since 1970.

For many youth, this event is a pivotal time in their lives. Over the years, many young Team Alaska athletes have expressed how important the experience of the games has been in their lives. It is the goal of Arctic Winter Games Team Alaska to keep the registration fee paid by participants at a level attainable by all young Alaskans. The board of Team Alaska has directed its efforts to fundraising, however, youth participants were required to contribute \$1,975 each to cover funding shortages for the 2018 Games held in the Northwest Territories - triple the amount of past fees. The Team Alaska board is determined to continue its fundraising efforts to lower the fees youth participants pay to attend the games.

This appropriation will fund the international registration fee for calendar year 2019.
