

State of Alaska FY2022 Governor's Operating Budget

Department of Revenue Alaska Corporation for Affordable Housing Component Budget Summary

Component: Alaska Corporation for Affordable Housing

Contribution to Department's Mission

The Alaska Corporation for Affordable Housing (ACAH) is a non-profit subsidiary of the Alaska Housing Finance Corporation (AHFC). ACAH is a separate and distinct legal entity from AHFC formed to develop, manage, and operate affordable housing. AHFC's statutes do not provide AHFC with the ability to participate in some financing and ownership structures; therefore, ACAH is positioned to undertake the types of affordable housing and services not open to AHFC directly but which support the mission of providing affordable housing and services to individuals and groups in need. Properties developed or operated through ACAH are positioned to leverage private sector resources. Examples include usage of the Low Income Housing Tax Credit (LIHTC) program, accessing tax-exempt bond financing, debt financing, and partnering with private sector developers. Additionally, developments can be structured with greater flexibility and less restrictive revenue sources such as grant and private foundation funding, lease and soft loan payments, development fees, etc.

Major Component Accomplishments in 2020

- ACAH currently holds the ground lease on the Loussac Place (120 unit) project, as well as several other properties statewide.
- ACAH has developed two projects: Susitna Square (18 units) and Ridgeline Terrace (70 units).
- ACAH has operated its housing development projects with positive cash flow over the last three years.

Key Component Challenges

- Using a broad scope of fiscal options to implement optimal financing solutions.
- Leveraging the best combination of resources to expand housing opportunities for Alaskans.
- Performing housing development with multiple layers of funding in collaboration with multiple private and public entities.
- Managing projects effectively to ensure ongoing cash flow necessary for operations.

Significant Changes in Results to be Delivered in FY2022

No changes in results to be delivered.

Statutory and Regulatory Authority

In May 2011, HB119 was signed into law amending AS 18.56.086 to include "the acquisition, development, management, or operation of affordable housing" to the category of activities for

which AHFC could create a subsidiary corporation. ACAH is organized as a 501(c)(3) tax-exempt organization under the IRS Code. ACAH is a corporation incorporated under the Alaska Nonprofit Corporation Act (AS 10.20) and provisions of the Alaska Housing Finance Corporation Act (AS 18.56). ACAH is required to operate in accordance with Alaska Statute (AS) 10.20, IRS 501(c)(3) charity compliance, the ACAH Articles of Incorporation, and ACAH Bylaws.

ACAH is a separate corporate entity with the power to adopt its own regulations if the need exists. As a subsidiary, AHFC has the ability to grant to ACAH all powers vested in AHFC. As such, ACAH has been granted the power to borrow money and issue bonds as evidence of that borrowing, and, as granted by AHFC under AS 18.56, shall have all powers of a corporation formed under AS 10.20 to the extent not in conflict with AS 18.56, and shall have generally all powers as possessed by AHFC through AS 18.56, such as the power to: include pledges with respect to bonds and bondholders; to acquire property by purchase, grant, lease, gift, or otherwise; to hold, use, sell, convey, mortgage, pledge, exchange, or otherwise dispose of ACAH's assets; to issue and sell bonds, notes, or other obligations; to retain or employ legal counsel, auditors, engineers and private consultants on a contract basis; to comply with and enforce its agreements with the holders of the obligations.
