Brief Summary and Statement of Need:

Approximately \$10 billion in grants for airports are available under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, of which the State of Alaska Rural Airport System was allocated approximately \$49 million. Funds provided under the Grant Agreement must only be used for purposes directly related to airports. Such purposes can include the reimbursement of an airport's operational and maintenance expenses. \$11 million in Federal Aviation Administration CARES Act funding will be utilized for deferred maintenance at rural airports.
