**Brief Summary and Statement of Need:**

This grant is for payment of invoiced costs incurred by AHTNA for the remediation of a 500 gallon diesel spill located on Eagle Trail (17b easement/RS2477). The spill was discovered in September 2019. After investigation by Department of Environmental Conservation, it was determined the spill was the responsibility of a third party. Ahtna directly incurred expenses to remediate the site in 2021. Remediation actions included soil removal, disposal, erosion control and re-vegetation of the site.
