**Prior Funding History / Additional Information:**

**Project Description/Justification:**

Provide local advocacy and engagement for the Iñupiat of the Arctic Slope to state, federal and international forums addressing Arctic issues.

Promote an understanding of the North Slope economy within the region and encourage culturally responsible development for economic sustainability.

Develop local content and responses with respect to activities within the region that allow for protection of land, waters, and subsistence resources and act to protect the interests of the Arctic Slope Inupiat.

Serve as a conduit for information transfer with outside organizations, including both governmental and non-governmental entities.

VOICE goals are intended to allow it to address and participate in legislation, regulations, and government programs to protect Iñupiat culture; increase communication and information sharing amongst Iñupiat organizations across the North Slope; ensure the development of North Slope natural State of Alaska Capital Project Summary Department of Commerce, Community, and Economic Development

resources in a safe and responsible manner; and to promote Inupiat stewardship of the North Slope, with the ultimate of sustaining and evolving the economies, both subsistence and financial, economies of the North Slope region.

Providing such funding would allow rural entities to provide meaningful and culturally relevant engagement on issues that most affect them. It is important for rural communities to receive information and data in context to their community in a timely manner to be better informed and to expedite decision making in rural areas.
