- Sec1 Ch43 SLA2010 P23 L19 SB230 \$4,071,900

Project Description/Justification:

The Department of Environmental Conservation receives an annual capitalization grant from Environmental Protection Agency (EPA) that funds the Alaska Drinking Water Loan Fund. Under the terms of the grant, the state is required to issue a certain amount of subsidies to grantees in the form of loan forgiveness. This appropriation is required to properly record the loan forgiveness as an expense in the Alaska Drinking Water Loan Fund.
